

New French Conversation Group – Beginners Welcome!

Have you ever wished you could speak a little more French with confidence? Perhaps you learned some vocabulary years ago, or you can understand more than you feel able to say. If so, a new **French Conversation Group** is starting at Chelmsford u3a, and it might be just what you're looking for.

This group is designed especially for **beginners and “rusty returners”**—people who have a basic grasp of the language but would love the chance to practise speaking in a relaxed, friendly setting. You don't need to be fluent, and there's no pressure to get everything right. The aim is simply to build confidence, enjoy the language, and have fun learning together.

Sessions will focus on:

- Simple everyday conversation
- Building useful vocabulary
- Speaking without fear of making mistakes
- Encouraging one another as we improve

If you can say a little already and want to say more, you'll fit right in.

Anyone interested in joining the group or finding out more is warmly invited to get in touch with me.
