

Would you like to join our Committee?

Some of our members will be standing down at the AGM in February 2027.

Vacancy – Treasurer

Our current Treasurer, Wendy Hubbard, is stepping down in February 2027, and we would like to appoint her successor as soon as possible so that they are able to receive full training and a well-supported and comprehensive handover.

This is an excellent opportunity for someone who enjoys working with numbers, values community and wants to make a meaningful contribution to the smooth running of our well-established u3a. You do not need to be financial expert – confidence with basic financial tasks (spreadsheets, online banking), good organisational skills, an eye for detail and a willingness to learn are more important.

You will be part of our friendly committee supporting the smooth running of our charity and helping our members stay active, connected and curious.

If you are interested, please contact Wendy by email:
